Introduction

Health is a state of complete physical, mental, social and spiritual well-being, and not merely the absence of disease or infirmity. Holistic Health includes Yoga, Naturopathy, Acupressure, Acupuncture, Neurotherapy, Chiropractic, Electro Homeopathy and other drugless system which are ancient Indian theories and practices, focusing on unifying mind, body, spirit and promoting strength, balance & flexibility.

Health and well being can be influenced by our present lifestyle change and psychological stress.

Holistic Health mainly emphasizes on returning to the nature by correcting our lifestyle by following simple natural laws, application of simple treatments based on the principles.

Objectives of the Conference

1. To bring a broader awareness among public about the utility of Yoga & Holistic Health in treatment of diseases.
2. To disseminate the existing knowledge of Holistic Health to the practitioners and health workers.
3. To provide assistance to institute and persons working in the field of Holistic Health.
4. To strengthen Holistic Health institutes and NGOs to plan, implement and evaluate projects in rural, urban, tribal, slums and other areas in India and abroad.

The Conference

The International Conference on Yoga & Holistic Health-2026 is being organised by National Institute of Holistic Health (NIH) from 07th - 08th February, 2026 at Shri Swaminarayan Ashram, Rishikesh, Uttarakhand.

Over 300 Naturopathy, Yoga, Neurotherapy, Electro Homoeopathy, Acupressure, Acupuncture, Cairopathy and other drugless therapy practitioners are expected to attend the conference from India and abroad.

President of India, Prime Minister, Chief Minister of Uttar Pradesh, Chief Minister of Uttarakhand and other Union Ministers, Member of Parliament and many other distinguished VIPs are being requested to grace this Conference.
